

WELCOME!

Taking care of your vehicle is important. But keeping your vehicle running as it should is not always convenient. Who can you trust for maintenance and repairs? Where should you go when you need new tires?

Introducing the **Partners Plus Auto Care Savings Plan** - a new program offered to the members of the National Roofing Contractors Association and designed to help save you money on Maintenance, Repairs and Tires for your vehicle.

The **Partners Plus Auto Care Savings Plan** is a free program that offers great savings on nearly everything your vehicle needs - from tires and tire service, to routine maintenance, such as oil changes and check-ups to vehicle repairs, like brakes.

Once you have registered on the program website, you can find a store location that is most convenient to you, shop and compare new tires and even schedule service appointments - right online. For information on how to sign up, please see the instructions on the right.

We are excited that the National Roofing Contractors Association has joined the **Partners Plus Auto Care Savings Plan**. We are looking forward to helping you maintain your vehicle.

If you have any questions about the program, please log on to www.PartnersPlusSavings.com or see your HR manager for more details.
